CONFERENCE CENTER *Shirlington*

A Public Service Research Institute
Serving the National Interest Since 1958

An atmosphere that speaks
before you do ...

It says professionalism.

It says state-of-the-art.

It says success.

Just one look tells the audience to expect nothing but the best. ANSER's Conference Center at Shirlington offers equipped meeting rooms with modern conferencing, workspace, and technology infrastructure support—everything from liquid crystal display projection to video conferencing, from high-speed Internet access to electronic whiteboards. The Conference Center boasts 26,370 square feet of function space and a variety of meeting rooms with the ability to host smaller meetings to auditorium-style conferences. Additionally, the Conference Center is cleared for classified/unclassified briefings and discussion.

A professional business environment with world-class facilities and exceptional service, ANSER's Conference Center is supported by skilled professionals to assist your every need from morning coffee to last-minute copying. No detail has been overlooked.

Shouldn't your surroundings speak for you?
